

EconS 582, Spring 2019
Homework #4: Due on Wednesday, April 10th

anaespinola@wsu.edu

Office hours: Thursdays 9:00-10:00, or by appointment

Discuss the model of your research project. Carefully explain each variable, discuss the methodology you are using and provide some discussion about the results. Identify policy implications and potential applications of your findings. In addition, discuss potential extensions of the paper (future research).
