## Homework #1: Due on September 8th

Office hours: by appointment *anaespinola@wsu.edu*

Please think about a topic in which you would like to develop a research paper. Then identify a set of articles [minimum 6, maximum 12 papers] related to that specific topic. Note that papers must be published in some of the journals we identified during class. Discuss each of them; briefly describe: (1) the research question, (2) model, and (3) identify the main result. Properly write references at the end of your homework assignment, using the Chicago Manual of Style ([https://www.chicagomanualofstyle.org/tools\\_citationguide/citation-guide-1.html](https://www.chicagomanualofstyle.org/tools_citationguide/citation-guide-1.html)). The maximum number of pages for this assignment is eight (not including references).
