

EconS 582, Fall 2021
Homework #4: Due on Monday, November 15th

anaespinola@wsu.edu

Office hours: Thursdays 9:00-10:00, or by appointment

Further discuss the model of your research project [HW#3], carefully explain each variable, discuss the methodology and compare it to the existing literature (What is your contribution to the existing literature?). Provide some preliminary results and discuss potential extensions of the paper (future research).
